Summary of ESEA Waiver Use

ESEA Flexibility Waivers Used in 2012-2013

Waivers used most frequently

- 15 school improvement requirements under Section 1116(b) except ((b)(13))
- 12 LEA improvement requirements under Section 1116(c3) and (5)-(11)
- 7 LEA improvement requirements under Section 1116(e)

And, a few others

- 2 highly qualified teachers
- 5 transferability (2 subsections)
- 2 spending restriction requirements for small, rural school achievement program

Comments About Waivers from Districts

- “We would have been required to set aside 10% for professional development; it allowed us to supplement our instructional needs.” (4 comments like this)
- “It gave us more flexibility in utilizing funds.”(6 similar comments)
- “In the past funds set aside for transfer and supplemental educational services have been distributed to Title I schools to provide direct services to students.” (4 similar comments)
- “The supplemental education services (SES) providers for a small rural community were limited so these funds could now be used more directly to supplement instruction.” (8 similar comments)
- “Professional development was provided by the district at no cost and the required 10% was utilized for instructional materials and technology to support curriculum, instruction, and assessment.” (5 similar comments)
